

Houses System

What is it?

It's a system in which we will divide our students into four groups, so each group will take one class from each grade and each group will act like one house.

Abu Bakr House	Omar House	Othman House	Alei House
G. 3A	G. 3B	G. 3C	G. 3D
G. 4A	G. 4B	G. 4C	G. 4D
G. 5A	G. 5B	G. 5C	G. 4E
			G. 5D

- 1- Rotational meetings will be arranged once every month (Starting after the line directly) to talk about how they are going to collect points to their house, to do activities together, or to celebrate and get a privilege when they reach a certain score.
- 2- Students should dress Colored T-Shirts according their house's color on the normal school pants **ONLY** in the houses meeting day (for those who haven't same color T-shirts they can come in the normal school uniform) (**ONLY T-SHIRTS .. NO OUTING OUTFITS**).

- It allows students to have an opportunity to interact with students from all grade levels.
